

2015 NJFA MEMBERSHIP APPLICATION

Please support the one organization working to protect your rights and to preserve our farmlands and woodlands – *your* New Jersey Forestry Association. You know all about our programs, conservation efforts and how important we are to the forest’s health. We must skillfully manage this valuable resource. We know the benefits of farm assessment are critical to this effort. Our work is absolutely essential to the health of our forest, but we need to constantly defend our position against the threats and challenges to this tax benefit.

The New Jersey Forestry Association (NJFA) is the organization defending your rights. Legislation to increase the threshold income requirement from \$500 to \$1000 moved through the legislature, however, the NJFA was able to get the legislature to keep the threshold income requirement to \$500 for woodland owners. We are on the ground fighting for your rights every day in Trenton.

We could go on, but we simply want to ask for your continued financial support by renewing your membership. We have achieved so much to protect your rights and your pocketbook. Please support the NJFA and help us to continue the fight. It will be the best money you have spent this year. Please fill out and return this form today, or go online to renew your membership: www.njforestry.org (click on “Join NJFA”). We thank you in advance for your support.

Student Associate Member for \$10 a year—involve our youth in environmental & forestry programs—add a Student Member level for your children or sponsor someone you know. Additional forms are available online!
