

# New Jersey Woodland Stewards Program 2014 Volunteer Registration

Thank you for your interest in the New Jersey Woodland Stewards Program, an outreach effort of Rutgers Cooperative Extension, Natural Resources Conservation Service, the NJ Forestry Association and New Jersey State Forestry Services.

We are seeking a diverse group of New Jersey residents who embrace a forest stewardship ethic, want to learn more about sustainable forest management, and are willing to share what they learn with a variety of audiences such as private woodland owners, community leaders, school children of any age, or the public at large. Owning or managing forest land is not a requirement.

The 3 Day Overnight Program will be held October, 16-19, 2014  
At the YMCA Camp Linwood MacDonald, 1 Flatbrook Rd, Sandyston, NJ 07826  
The \$75 registration fee includes all meals, lodging, and program handouts and tools
