Grand Total			

What can you find?

There are many different things to observe in a forest or woodland, meadow or field.

Become a Junior Forest Observer

Be alert.

There are many things to see!

Find at least different 20 things check them off your list to total 100 points and earn a Junior Forest Observer Patch!

Have Fun!

Now go and see what you can find. You only need 100 points. It is possible to earn 250 points.

You might even see more if you move carefully and quietly.

Look all around!

How do I get my patch?

When you have 100 points or more, send your completed list to the New Jersey Forestry Association (NJFA) for your patch.

Mail your list to the NJFA (see address below) with your name and address and we will send your patch to you:

Name _____

Address _____

Town _____

State _____ Zip _____

Email _____

Want To Join NJFA?

It is not necessary to join the NJFA to get your patch, but it would be great to have you and your family as members.

For an application contact the:

New Jersey Forestry Association, Inc.

P.O. Box 367

Flemington, NJ 08822

or e-mail requests to:

info@njforestry.org

or download an application online from:

www.njforestry.org

or

Phone/Fax: **908.832.2400**
