

Michael Hart
Supervising Forester, New Jersey Forest Service

Mike was born and raised in NJ and graduated from West Virginia University with a Bachelor of Science in Forest Management. He has been employed by the New Jersey Forest Service since 2001 and is currently the Supervising Forester overseeing the Private Lands, Urban & Community Forestry and No Net Loss programs. Mike has experience throughout the state with these programs as well as having spent years working within the State Lands program.

Jeremy Caggiano
Regional Forester, New Jersey Forest Service

Jeremy is dedicated to the responsible management of private forests throughout New Jersey. He has been practicing forestry in the mid-Atlantic, New England, and the inland northwest for over 25 years since graduating from University of Maine's Forestry program. Jeremy resides in Sussex County with his family and dogs and can be commonly found enjoying the state's natural resources through hiking, mountain biking, and surfing during his free time.

Michael Zsoldos
Assistant Regional Forester, New Jersey Forest Service

Mike works in the Southern Region's Private Lands Program. He began his career with the Forest Service as a part-time employee after graduating from Stockton University and has since dedicated eight years to the Private Lands Program. Mike lives in Atlantic County with his family and dogs and enjoys spending his free time outdoors - gardening, raising chickens, hunting, fishing, and exploring nature with his family.
